

This is to certify that M/s Lionsol Infoway PVT LTD is doing marvellous work in software development & technology building for ERP Development in India,

The software developed by them are really useful for elevator industries,

The lionsol team is very adept an programming, they are highly skilled on customized solution,

Just throw a challenge they will accept it,

The most important part, the team members are highly cordial & very friendly,

Whenever we asked for the favor they are readily available,

And our special thanks to Miss Priyanka Patel, Product Manager of LIONSOL INFOWAY who gave us in depth training and understandings.

We wish them bright success in all their future endeavors.

Best regards,

C.G Purohit
